PACK HISTORY 2016

It's the Candlelight Service in the Chapel, and here we are, having launched our boats onto the calm waters of Newfound Lake. There is a lot to reflect upon for each member of the Pack. What did you add to your Mowglis record this year?

Each boy and counselor at Mowglis strives to build their own castle in the sky, which must be done starting with the foundation, from the ground up. Some started fresh, others are still climbing, and some are completing their steeples. Think about this for a moment...Did you make a friend by being a friend? How did you contribute to your dorm? Coming together in the end, every dorm earned Inspection points for ice cream, the Cubs twice. What skill did you teach another, and what did they teach you? Maybe how to sail, paddle, row, make a fire, clean a stove, empty the trash, make a bed, or carry something heavy.

When I think about the foundation of the Summer of 2016, I can confidently say that the boys and staff worked with a focus on becoming Mowglis Men, holding their heads high in triumph, discomfort, or sadness, looking out for one another as brothers should, and for having the confidence to push the limits.

In "Mowglis Time" it was moments ago that we were playing sports on Gray Brothers Field, playing games in the Library, performing duties and eating a meal before the Inner Circle Ceremony. The night before it was a cookout on the field, and a superb Graduates Dinner that began with the Den singing their dorm song – in tune – as first call blew for Colors.

Mowglis, We Salute You!

Just a few short days ago, the Camp summited Mt. Cardigan in the clouds. The Zamboni Brothers visited from a far-off land, while the JS shared a few things we might not have known, and dozens of ribbons were completed with honors. Crew Day - what an awesome week of teamwork, sportsmanship, disappointment, victory and enthusiasm. Squads were not easy, weather varied; all accomplished their feat on a well-earned trip to the Presidential Range. Washington Squad once again upheld the long-standing tradition of the Camp's presence and outstanding reputation in the Whites. I do believe that we still don't know who won the Sports Days. However, we have all seen how hard folks have worked to make Landsports, Woodsmen's, and Watersports Day so successful, with a new full-day format, no real injuries, and lots of exciting events—I know you boys know—but no results yet... You know us, sometimes we draw out the suspense.... too long.

Who Won — MR. HART!

Overnight trips, challenging day hikes, First Industry, Second, Industry, Sign Up, Rock Climbing, Ropes Course Swings, Fencing, Open Waterfront, Picnic Supper. Pretty much any time of any day at Mowglis can be one of the best parts of the summer. I'd even ask you to think about Duties: a 30 minute period where we hope boys will actually work for 20. Individually that's over 13 hours, 800 minutes, 48 thousand seconds. As a Camp we worked 106 Hours, 6,396 Minutes, and almost 400,000 seconds. It only takes three men to launch the Mowglis crew boat or war canoe, but as a team can accomplish so much more.

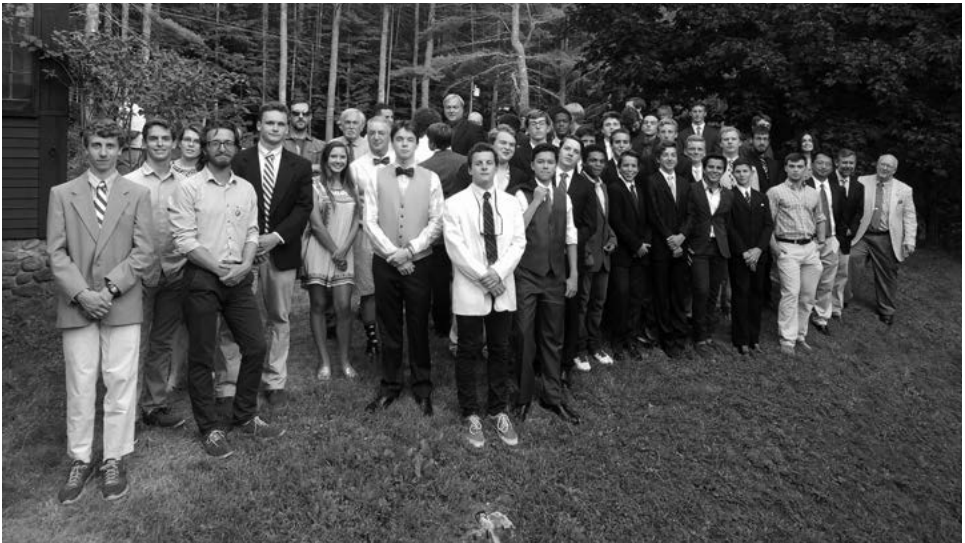

Thinking further back in time, the four-week campers departed. The fifth new Chapel Bench was cut. People were comfortably living in the Chef's Cottage. We were dealing with more dehydration and twisted ankles than in known history. With the Yearlings on board as JS, picnic supper reached a new level of efficiency.

The Yearlings had quite the adventure in the mountains, fields, rivers and experimenting with the Tipi.

The staff and boys came together to create another fantastic Mowglis Summer, coming from all over the world, planning for, and accomplishing many requirements. During this process, they became more accountable and continued on the path to becoming a True Mowglis Man. The Spirit of Mowglis is strong. It lives in each of you and will continue throughout the year if you choose to embrace it and come back to Mowglis next summer ready to re-charge your Mowglis Spirit.

MOWGLIS 2016, WE SALUTE YOU!

Graduates Dinner

WISHING CAMP WAS FOREVER

Camp has gone by so fast that three weeks feels like three days. I love the Industries I have. Camp is the best even the canoe trip when I lost my socks. I wish camp was forever!

—COOPER DRAZEK

INDUSTRIES

This year has gone by so fast. I feel like it was just yesterday that we all arrived here. I've done so many fun things this year. Riflery, Camping, and Sailing. I'm excited to come back next year and work on more ribbons.

—SAM LUBELSKY

CAMP IS FUN

So far at Mowglis I've had a great time. I'm sad that camp is going to end. This week we summited Mt. Noon and I'm pumped for Crew Day which is today!

—SAM PEROZEK

SAILING

Last week I went sailing with Thomas and we got stuck by Paradise Point. Mr. Hurdman and Mr. Davidge helped us. We made it out to Onaway Point. I was very happy this week that I made 3rd Form, today is the day to win! Mowglis Cheer for Mr. Richardson!

—ERIC HOEFER

RED CREW

This week is Crew Week, I am on Red Crew. Last night was the pep-rally and the Bonfire. I watched the bonfire blaze and the blue bandana burned first, but I do not believe in superstition. RVD 2016.

—CAELAN AKRE

REQUIREMENTS

I have fun in camp. I'm in Riflery and working on my Sharpshooter. I've also got a few requirements in Canoeing.

—COLIN SOLIBIEDA

A GOOD WEEK

I've had a good week. We went hiking and went to Archery and I played football.

-PETER CARINI

LOVE CAMP

I am having so much fun. I have new friends and have gotten closer to everyone. The hikes are tiring but they are fun. I love Sundays because we have Clubs, howls and letters, and don't forget the cook out. I love soccer, but I sometimes play other games and frisbee. The food tastes the best. I love the way everything is here!

-PJ MUNGAH

HAVING FUN

Today was Clubs. I picked the magic club and lost, against a Cub! Yesterday was movie night. I'm trying to get my Crafts ribbon. Colin arrived from Germany, he is really nice. The Tripday hike was great, even though I fell a few times.

-ALEX FINSTHWAIT

CLUBS

Today we had Clubs. I did table tennis. It was fun even though I lost every game. I played three games in the tournament and a few more for fun. When I was playing the third game I hit my head and got an ice pack, then finished the game. I think that next week I will do table tennis again.

-MATTHEW O'CONNELL

RIBBONS

I am aiming for my Pro-Marksmen and for my Canoeing and Drama Ribbons. I love camp. Mr. Robbins said I can go fishing. I also want to get my Fencing Ribbon when it comes out. It sounds really cool.

-THOMAS BOULD

STINSON MOUNTAIN

I think the best thing that happened to me at camp so far when climbing Stinson Mountain. It was not that steep at first but got harder as we got higher. I was really happy when we got to the summit and I had a really good time.

-ETHAN HEIT

INNER CIRCLE GOALS

To me the Inner Circle is important. So far I don't have any ribbons yet. I'll aim for Riflery, Crafts, Camping. I have two Rifley medals so far. I love Riflery, I do it at my house in Montana.

-OLIVER WILSON

FUN INDUSTRIES

Camp is amazing. I made new friends and the food is amazing. I think I am going to get my Crafts and Drama Ribbons. I might get close to Camping Ribbon. I'm terrible at Riflery, but I still like it. I am good at ga-ga ball but not at tetherball. Camp is going by fast!

-COLIN SOUKUP

CARDIGAN HIKE

This week we went on an overnight trip to Cardigan. We hiked to the top, the view was awesome, we hung out for a while and went down the mountain. We played games back at the campsite and the next day we were back to camp.

-GUS HODDE

FUN AT CAMP

Camp is Great! I flipped a sailboat and got bit by a catfish in the same day! People are talking about how to hide contraband, none of them work though. The food is just as delicious as I remember as a Cub and that's how the first week of Toomai went for me.

-COOPER DRAZEK

STINSON MOUNTAIN

Last Thursday was Tripday and we climbed Stinson Mountain. It was 2 miles to the summit. It was amazing, when we got to the top we ate lunch. The view was amazing!

-MATTHEW O'CONNELL

FAVORITES

Camp is fun! The time goes fast. I got my Marksmen. Riflery is my favorite industry. Today was Clubs and I played magic.

-COLIN SOLIBIEDA

CLUBS

Today we had Clubs. We all went rushing to the ones we wanted. I went to magic and chess. I loved playing. This year is going by so fast. I love the kids and the camp. We hiked a hard mountain but we ran a lot of the way down.

-THOMAS BOULD

EATING IN GRAY BROTHERS

Yesterday there was a storm and a tree fell on the power lines. Now Gray Brothers Hall is the new dining hall, the food tastes better in Gray Brothers.

-CAELAN AKRE

FIRST HOWL

Hello Camp Mowglis, this is my first week at camp and I've already had an amazing time. The first couple of days I was a little homesick but I swiftly got over it. In the past week I've gotten to meet many people and have gotten many new experiences such as learning to shoot a rifle and getting better at tennis.

-SAM PEROZEK

GA-GA BALL

Days here are amazing, but my favorite part of the day is after dinner, ga-ga ball. First you rush to the court. They say "Ga-Ga-Go!" At the beginning a lot of people get out. Then comes the teams like the Pace or Soukup Alliance. Although there are four Soukups it feels like there are 10 Soukups. The Soukups rule the court and there is not that much of a chance you will win.

-PJ MUNGAH

CREW DAY

Camp is great, today is Crew Day. I don't know who's going to win. This is really exciting and I'm happy I got my Drama Ribbon. Crew Days fun and I'm glad I saw my Mom at the Bonfire.

-COLIN SOUKUP

RIFLERY

I like camp a lot. It's my second year. One of the things I like best is Riflery, I am working on my 2nd bar. I got a high score of 47 so far. On Wednesday, we have a backpacking trip coming, I can't wait!

-NICOLAS SUNYER

PLYMOUTH MOUNTAIN HIKE

On Thursday we hiked up Plymouth Mountain. The first and hardest part was hiking up the road to the trail head. Finally we saw the top and walked up and realized it was a false summit. After that we heard thunder, so we walked down a little and spread out. When the thunder passed we went back up to the real summit and ate all our lunch. Some of us tripped on the way down so it was slow going. After the long hike we were all happy to see the Mowglis sign and walk back into camp.

-SAM LUBELSKY

WOODSMEN'S DAY

Yesterday was Woodsmen's Day. I did tire bowling and horseshoe toss. Nick Sears, Harrison, Sam L., and I won first. Nick Spodick destroyed the speed splitting. After dinner I signed up for the Rock Climbing trip. The next day for Clubs we did trip prep, I can't wait for the trip.

-ERIC HOEFER

CARDIGAN HIKE

We went to Mt. Cardigan and set up a base camp campsite, collected firewood, and had spaghetti and meatballs for dinner. The next day we hiked to the top of the mountain and had pepperoni pitas. It started to rain and we had hot dogs. One of the tents got flooded.

-SAM HECKER

LANDSPORTS DAY

We had Landsports Day. I was in the dress up relay and the marathon, but my favorite activities were the frozen t-shirt and hide the candlestick. It was fun.

-CONNOR SOUKUP

RIFLERY

This camp is fun but my favorite thing is Riflery I'm already a Sharpshooter. My rifle number is 3. My grouping is good with that one. I like the suspense about 'if' you shot a qualifying target.

-SAWYER OLSON

SECOND YEAR AT CAMP

This is my second year at camp and it is fun. I learned new stuff like Fencing and Woodworking. In Fencing I learned 'on guard' and I got to use a real foil and now it's Crew Day. We decorated the camp and it looks cool.

-PAOLO CUNICELLI

BRASS CHOIR

The Brass Choir and I got to play at the Laconia Church. It was cool to see Mr. Bengtson play the huge organ. After we were invited to a social gathering and there were the most delicious donuts.

-KENNY LITALIEN

SUPER SWAG

Yesterday I traded a fake mustache with Sawyer for a dessert. I am going to put it on and look super swag. I also have a pair of orange sunglasses that will also look swag. Three days ago I worked with some staff to build new rafters on the back side of the craft shop. It was tricky because we had to cut a couple of different sizes.

-KOSTA VARKARIS

SAILING

The past week in sailing we have been practicing capsizing. Then I decided to try a dry capsize. I did the capsize successfully but my bailer fell out and started to fill with water. I had to dunk under the water with my PFD pulling me up. When I managed to get the bailer my boat began to sail away, even though the main sheet was loose. After I caught up I sailed back freezing and dripping wet.

-ELI SALO

FUN AT CAMP

Camp has been fun. Fencing is really fun. Mr. Stewart, who is awesome, ran the Magic Club, it was awesome. I cut my foot on the tennis court last week. I get my stitches out tomorrow!

-NICO JOHNSTON

MR. CHAN

Mr. Chan is awesome! He knows how to use all kinds of swords and he is really smart. He is also really funny. Mr. Chan taught me how to put on the fencing gear and how to fence. Out of all the counselors he teaches the coolest Industry, probably because he teaches it.

-LIAM JENKINS

CLIFF ISLAND

The Mowgli experience is awesome. Two weeks ago we went on a trip to Cliff Island. We saw a duck and me and my friend Kenny decided to name it Forest Gump. We also saw a huge spider. It started climbing down to the table. People screamed and the spider went back up. Mr. Hart heard the scream and came over to see what was going on. He saw the spider and got a box to dispose of it.

-AMIR LAGASSE

PING PONG CLUB

Today I went to the ping pong Club. It was so exciting, we had a tournament and I got third place but the semi-finals were so crazy. The whole game was neck and neck. I was playing Scott, an amazing ping pong player. We were playing to 11, but you have to win by two. The score was 10-9, Scott and I were having a great rally and Scott had a great shot with a really hard return. I swung my arm out, the ball bounced off the table and hit my paddle and the ball went flying off the table. I didn't win, but it was still a very suspenseful game. I'm glad I signed up and I hope to do that Club again.

-DAVID CHRISTENFELD

PAPER MESS

Today is Crew Day. Knowing we have an RVD today. We decorated camp with a lot of crepe paper, camp is now a paper mess.

-GRANT WEBER

FUN WEEK

This week was really fun, we went on a tripdaze hike, we got a bit lost and it was raining. The trees kept most of the rain off us. The next day I took a blanket and made a hammock. During Clubs I went with Mr. Hart and cleaned that was kind of boring but we had a few laughs. That was the week, can't wait for next week!

-MARCO MAZZEI

GREAT FIRST WEEK

The first week has already blown by. We have signed up for Industries and are making progress. Campfires have been fun. The first week has been great.

-PATRICK JENKINS

CLIFF ISLAND

Baloo had fun at Cliff Island. We ran around the island like wild animals. It took a few hours to climb to Big Sugarloaf. There were some tent issues that night so we connected two together. All in all it was a great time!

-RORY FREEMAN

ROCK CLIMBING

It's Sunday, July 24, and my first time Rock Climbing with Mr. Rogers. It was during Clubs. I went with Mr. Rogers and Sam to the bouldering room. We had a lot of fun and I have sore fingers now. The summer is going fast, lots of friends and summitting more mountains than ever.

-KYLE LITALIEN

THE START OF CREW WEEK

Today is the start of Crew Week. we are going to find out what Crews the new folks are on. We are also going to find out what forms we are on. RVD!

-ALEX MCGREEVY

CREW ANNOUNCEMENTS

Today they announce Crew boats. I hope I make First Form or Racing Crew. I am having a lot of fun but the best thing that's going to happen is a BVD. I really want the best counselor to be on Blue, and that is the one and only, the legend, Mr. Chan.

-SANTIAGO MARTINEZ

CANOE ALONG

Canoe along, Canoe along, the summer's just begun. Canoe along, Canoe along, the summer's just for fun. During the 2016 Mowglis experience I have so many great decisions. Every different one has led me to a different experience. In a few months I'll just be a boy doing homework wishing that this Mowglis year didn't go so fast. But before we know it I'll be back. Precious days of camp, the Canoe Along lyrics ring in a special way.

-ALEX STATHOS

ENJOYING MOWGLIS

The third week of camp was great. Yesterday we chose new Industries and got to choose activities for Land Sports Day. I may be from a big city, but I enjoy Mowglis and the outdoors.

-SAM HECKER

FIRST ROWING PRACTICE

This week I went out in the Red Crew boat for the first time. When I started I messed up some, but then I got the hang of it. Stroke, Finish, Feather and then do it again. When we started rowing in I wished it wasn't over, but it was a good first practice.

-ELI SALO

CHEAP LABOR

Cruel shouts all around me - I am tableboy. Set me free! And tomorrow I'm stuck with Mines and then waterfront. What will become of me. Cheap labor is all I seem to be.

-LIAM JENKINS

BEST SUMMER EVER

This is my last week. I have had so much fun here this summer. Sad to leave. Thank you Mowglis for the best summer ever!

-KOSTA VARKARIS

BEST CAMP

Capture the flag, we are skins with the one and only Mr. Spodick. He is legendary, he has eyes of an eagle. The skins won, this is the best camp of all time!

-KYLE LITALIEN

SO MUCH FUN

This was my first year and I got home sick at first but the counselors helped me through it and all the fun activities help you forget about it because it's so much fun!

-MARCO MAZZEI

AXEMANSHIP

"So just hit there," says Mr. Gomez. I spend the next several minutes hitting a dry, dead tree. One final hit and I hear the crack and watch the 30 foot tree fall over and break into three sections. I shouted with joy and then began chopping one of the sections. I drank water feeling proud of what I can do with the axe that I headed. I just cherish the joy of almost having my axe test.

-PATRICK JENKINS

CAMP IS AWESOME

Today was awesome, it was my first regular Mowglis Sunday. The Clubs are awesome, I went to the reading and chess Club, it was really fun. After that we played tetherball. I was getting better and better at it. In fact I came from not knowing the game at all to winning games. I really like it here at camp.

-AMIR LAGASSE

CREW WEEK

It's my third year and the excitement for Crew Week never changes. Crew Week is amazing, it always makes me happy. Bonfire, Racing, and Dinner all so fun. I hope it's an RVD.

-RORY FREEMAN

MR. STEWART

Mowglis is really fun so far and Mr. Stewart has helped me with a lot of things. He is probably the main reason camp is so good. I'm excited for my seven weeks of a full Mowglis experience.

-KENNY LITALIEN

AMAZING SUMMER

This summer we have done so much stuff. I've had the Crew Race but Red won. This summer has been awesome. I've also liked the clubs, fencing, soccer, larping, basketball and swimming. I've had an amazing time at camp.

-SEBASITAN REGO

THE PILLOW FIGHT

We started having a pillow fight when someone yelled “Pillow Fight!” Then everyone started to hit the counselors with our pillows. Then they started to fight back.

-SEBASTIAN VARGAS-LOPEZ

RIFLERY

Over the past three weeks I have done Riflery earning my Marksmen, Pro-Marksmen, Marksmen 1st Class, Sharpshooter, and First Bar. I entered the Rifle tournament and we have yet to shoot. I tied the Mowglis Marksmen with a 47 at the beginning of the year. Now I’m shooting for a 48. I have grown to become a better shooter.

-JACOB SCHLES

GOING BY FAST

This year has gone by so fast. I earned my Yellow Ribbon this year and have accomplished many things. Three of my good dormmates have earned their Inner Circle this year, they are: Rainer, Shoh and Elliot. I hope to return next summer and will miss everyone at camp.

-TEDDY GIBSON

HIKING TRIP

I went on a camping trip that was three days long. My friends were all experienced hikers. The trip was fun and I got a lot better at hiking and it was a wonderful experience.

-JOHNSON ZHENG

NEW INTEREST

This week I found something new that I am interested in: Crew. Rowing in a shell is very different from in the Mowglis Crew boats. I want to keep improving my form and maybe someday get my Maroon Ribbon. Camp is awesome.

-SHOH NISHINO

FIRST PACK TRIP

This week we went on our first pack trip. Day one we hiked four miles to the campsite. We relaxed until dinner and that night a bear came to our campsite. On day two we hiked North and South Kinsman on the Kinsman Ridge Trail. On North Kinsman we stopped to do planks and yoga. At camp we ate and swam until it was time for bed. On day three we had an easy hike down to the road. Miss Burgess being the awesome counselor she is bought us contro. It was a great trip!

-DANIEL MILLET

THE TETHERBALL COURT

As soon as someone touches the ball it begins. Then immediately “what do you give me” comes out. For tournament will he give: court and direction, or serve, if non-tournament the game begins. Soon enough someone will shout “I call winner.” Who will win, the one with the good follow though, the taller one, the one with the powerful hit, who knows? Tetherball is part of Mowglis!

-REECE HARDING

DODGEBALL

Today at Clubs we had dodgeball. It was tons of fun! Mr. Rogers went beast mode and started to get everyone out. Pato tried to get me but missed. Mr. Hurdman and Mr. Rogers had a face off. Anyway, the weeks are going really fast and Crew Week is almost here.

-JONAH DORSEY

I LIKE CAMP

I have fun at camp. I have swimming and Axemanship for Industries. I like camp.

-ROBIN SOLIBIEDA

GOING BY FAST

I like camp. It's gone by fast and Crew Week starts soon. I hope I'm on Red Crew. In Axemanship I chopped and split the same log in one day.

-DEVIN FOWLER

CREW WEEK

I've had a good week and I'm excited about Crew Week. My first one and I think I'm close to getting my knife test. I am super excited about Crew Week.

-XAVIER GOODWIN

THE BEST WEEK SO FAR

This week has probably been my most fun, exciting, and productive week so far. On Friday I got my Photography Ribbon (Black and White). Bringing me one Ribbon closer to the Inner Circle induction which I hope to get this year. Now I have three Ribbons: Red/Canoeing, Green/Camping, and Photography. Also, I glazed my pot yesterday with Mr. Brett. On the outside it is turquoise with a blue stripe and on the inside it's copper green. It looks cool.

-SHOH NISHINO

PACK TRIP

Just recently, Akela went on a three day pack trip. It was the best trip ever. We hiked roughly 15 miles. The first day was hard, it was only five miles but felt like ten. The second day was a ridge walk and the third day was easy down to the road.

-BRONSON BROWN

BVD

It's Crew Week and I have a feeling that Blue will win. The bonfire was giant! Camp is going by so fast!

-DEVIN FOWLER

CAMP IS FLYING BY

Camp has been flying by. I can't believe it's already squads week. Camp is a very special place and we are lucky to be here. I really hope I can get my Inner Circle this year but it will be close. I like camp because I can try new things. All in all camp is one of the greatest experiences I've ever had.

-ELLIOT BRUNTRAGER

RIFLE TEAM 2016

Sam Lubelsky, Jonah Dorsey, Scott Lau, Kyle Beckford, Nicolas Sunyer, Emiliano Covarrubias, Hugh McKelvy, Nick Spodick, Wil Osselmann-Chai, Mr. Hart

SUNDAY

I went to larping for Clubs. We had a tournament and I got 3rd place. We had soupy on Gray Brothers field this morning. We had pancakes and sausages.

-SCOTT LAU

CAMP IS COOL

The camp is very cool and fun. I like the food here, a little different than the food in Germany. The activities here are very fun. It rained hard yesterday and was windy and a tree fell near the dorm but nothing happened. What luck. The time is running by very fast. So many activities I can do here.

-MAX SCHNORBUS

CREW WEEK

Tonight is Crew announcements and I'm very nervous, I hope to be first form cox. Crew Week is very exciting and high speed because of all the cheers and rallies. Then there is Crew Day, which is something else. It is craziest waiting to row in the environment where there is a crowd of people cheering for you or not but all in all Crew Week is awesome and exciting.

-RAINER OSSELMANN-CHAI

CAMP FEELS LIKE HOME

Camp is almost over, I'm going to miss camp, it feels like home and my dorm mates feel like brothers. My Mowgli brothers.

-TAYLER HURST

CHANGING PERSPECTIVE

It's pretty funny how a person's perspective changes so quickly. A few weeks ago I was wanting to go home and Crew Week seemed like light years away. But now Crew Week is right around the corner, and it's sad that Mowglis' 113th summer is concluding. Every day that goes by is one day less of this 49-day paradise. I have to deeply cherish my valuable yet paltry amount of time left. Continue working hard and earning my canoe safety so I can go on the Red Ribbon Trip. But time is not my friend, so I better hurry up and earn the safety. I want to make it into Red this year. All my dormmates say I look like a Red person. Crew Week brings mystery. BVD or RVD?

-MAX ZHOU

CREW DAY EXCITEMENT

This afternoon we have Crew Races. I am very excited and nervous. This is my first year as a Coxswain and first time racing in two years. Crew Week has been a good experience and cool to be in a boat with lots of nice people.

-RAINER OSSELMANN-CHAI

TRIPDAY

On tripday this week we canoed to Wellington Beach in the metal canoes. It was quite the adventure. We were supposed to canoe over and climb little and Big Sugarloaf and be back by 5:00pm. But of course things didn't go as planned. It was a very tiring paddle there. Half way across the lake Mr. Chan and Xavier swamped their canoe. Luckily Mr. Chan had packed with a trash bag and his stuff was all dry. It was a very eventful day and I was dead tired by dinner and my clothes were sopping wet.

-SHOH NISHINO

LARPING CLUB

This is my second year at camp and it's going great! Today I did the Larping Club and got second in the tournament. I am close to my Green Ribbon and it will be my second Ribbon. I'm also close to my Sharpshooter. I can't wait for Crew Week.

-REECE HARDING

TOOMAI 2016

Front Row: Caelan Akre, Eric Hoefer, Mr. Richardson, Sam Lubelsky, Mr. Hall, Alex Finsthwait*

RIBBONS

The weeks are going by really fast and I'm already near to getting my Black and White Ribbon. My goal this summer is to also get my Red White and Blue Ribbon. I'm going to try out for the Rifle team and I hope I make it. I did last year.

-JONAH DORSEY

BUGLER

For two days I was bugler. I think I did well. I wonder if I was loud enough for reveille. I am aiming for my Golden Chord. Hopefully my experience as bugler will teach me how to do better.

-JACOB SCHLES

THE BEST YEAR

Another year of camp is almost over. This is my first year making a form and I am so excited for the race. BVD. This year has come and gone like every other one. This is my fifth year at camp and probably one of the best so far. Akela 2016 I salute you!

-ELLIOT BRUNTRAGER

CREW WEEK

The best week of camp is coming soon...Crew Week! For those of you that don't know, Crew Week is the 6th week of camp and the two crews, Red and Blue compete against each other on Race Day. There is 3rd Form, 2nd Form, 1st Form and Racing Crew. Racing Crew are the ones to decide if Blue or Red will win. This year I hope to be on 1st Form.

-JONAH DORSEY

PEP RALLY

In the pep-rally I got to carry a big banner with a dragon on it. It was fun. I can't wait to carry it today and I can't wait to watch the race. I hope Red wins.

-XAVIER GOODWIN

CREW DAY

Finally today is the long awaited Crew Day. Camp is decorated with Red and Blue banners flying in the air. Everyone is in the spirit of their teams and ready for the afternoon races. Tonight is picnic supper, good food, good races, good spirit. I must cherish this good day!

-MAX ZHOU

CREW DAY

Competitive!
Red and Blue!
Epic!
Whale-sized loads of fun!

Definitely the BEST!
Absolutely Awesome!
You better watch out for RED CREW!

-REECE HARDING

CAMP IS ALMOST OVER

There are only 8 days left of camp. I am sad that I have to leave. I have accomplished so much this summer. Our dorm, although we may have some shortcomings, has really bonded this year. Next year I hope to return as a Pantherite and I hope all my dorm mates will as well. I have made so many great friends this year. The skills I have acquired at Mowglis this summer I will carry with me forever. You know what they say, 'time flies when you're having fun' and I definitely had tons of fun this year!

-SHOH NISHINO

CREW WEEK IS THE BEST

In all of camp the most exciting part is Crew Week. The week starts when the boats are announced. Then the cheering begins. On Saturday the races begin and camp is decorated in Red, Blue and Purple. Crew Week is the best part of camp!

-TEDDY GIBSON

YEARLING TRIP

Last Tuesday we went to ZOAR to go whitewater kayaking. On the way there we got to pick up Victor and we got to the campsite at like 1am and went straight to bed. The next day we got fitted into our kayaks and started in a lake. After lunch we went to the river and it was really fun. The Second day we went straight to the river and Marcos and I flipped like 10 times. The last day was really fun, we went down some challenging rapids and everyone flipped at least once. Zoar was fun!

-NICO COVARRUBIAS

NEVERENDING SUMMER

Camp has been fun, I'm really glad I got to come back for the Yearling Program. Being a Yearling is probably the coolest part of camp. We get to do all kinds of cool stuff, journeys full of dangers and excitement. I hope the summer never ends!

-VICTOR GENG

RIBBONS FOR STAFF MEMBERS

As you may know, I was never a camper here at Mowglis, ergo I don't have any Ribbons. You know, the other day I was thinking there should be a Ribbon for staff members. I've already thought of some of the requirements:

- Inspire an unmotivated boy to achieve something in your industry
- Survive a double lifeguard shift on a hot day
- Get lost on a trip and make it back to camp, with all the campers
- Have all the campers stay awake during your campfire presentation
- Pick up random underwear from the floor at least three times a week
- And probably most important of all; be quoted by Remi Land

Warm Regards.

-MR. JULIO GOMEZ

CALL TO QUARTERS

When I first came to Camp Mowglis, I had a very narrow view of the world. I had always believed that the Call to Quarters was a call to return to your living quarters. But my time at Mowglis has opened my eyes. As I have learned from the example set by Mowglis campers this year, Call to Quarters can mean any number of things. It can be a call to the tetherball

court, or the ping pong porch, or the mines. It would seem that Call to Quarters means something different to everyone. In the end, Call to Quarters is the call to follow your heart.

-MR. PHILIP CHAN

THE BOYS CAMP

My parents wonder why I chose to work at an all boys camp. And to be honest, I wonder sometimes too. You are all dirty and smelly and rough and tumble and I've been tackled to the ground by at least two of you at one point or another. But I wouldn't have it any other way. I feel like I've gained a hundred wonderful brothers over

the summer. Although I don't sleep in the dorms and experience camp as fully as the other counselors, I'm still very grateful for how welcomed everyone made me feel. When I return home with dirt on my face and cuts on my feet. I'm sure my parents will continue to wonder why I made the choice to come here....But I won't anymore.

-MISS KATE BURGESS

THE BEST YEAR

This year has been the most enjoyable so far. Taking on the responsibility of Lead Dorm Counselor has been both daunting and rewarding. Toomai is filled with many unique characters, they have the skill and determination to challenge the pack and win. Recently however, what has been even more impressive is how welcoming they have been and how they have been looking out for one another. I have made some really great friends and bonded even closer with old ones. I don't want this summer to end.

-MR. KARL HALL

WASHINGTON SQUAD

23 miles and 11 summits, 8 awesome young men and 1 random dude from Scotland. I couldn't have asked for a better way to end my run of trips. Whether we were befriendng middle age couples at the huts or petting famous sled racing dogs on Washington. I don't think I stopped smiling the whole week. Shout out to Wil, Inaki, Diego, Pato, Nathan, Nick, Nick, Andres and Jamarous for a killer hike. Y'all are goofy as heck, but showed me that you are far tougher than any of the mountains you climbed.

ARRIVING AT CAMP

Pulling into the driveway at Mowglis is amazing. Seeing the Jungle House, then going further, seeing the Lodge. Going further down the driveway you will see on the left my favorite place, the Mines. On your right you see the new Woodworking Shop. Straight ahead you will see the wolf on the Craft Shop door. Following the road you will see the campfire circle, the inner circle, then the outer circle. You will also see the large crooked birch bark tree overlooking the campfire. Down the road you will see the tennis court. When you pull into the beloved Gray Brothers field, you get out of the car and reunite as a community. Seeing old friends and meeting new. Once you check in and after medical you finally unpack and say goodbye to your family. Then once again you will be with the Pack.

THE FIRST WEEK

I'm glad I survived my first week.
Thirty-five more days 'til Crew Day!!!
I'm obsessed with Mr. Spodick's funny personality. I like when counselors say "Get to your dorms!" And I like when we have soak and they say, "Beginners is open." Or when Mr. Carothers yells for not going in the water. I can still remember inspection last year. I can say that camp has been really fun. I liked on the first night when Mr. Nunues

had to come in and yell at us. And it was funny when the counselors yelled at people for not drinking their milk at breakfast. I can still remember when Mr. Hart had to inspect our dorm. Camp is fun this year.

-REMI LAND

WATERFRONT

It is my first year at camp and everybody was talking about a "Waingunga." I had no idea what the heck they were talking about. Then, Mr. Carothers had signed me up for swimming to try one. We got on the dock and I couldn't see where we were supposed to swim to. I swam until I saw Mr. Garcia, and then went back to the dock. Mr. A. Nunez was being lazy and followed me on his paddleboard. He basically yelled at me to do it again. I was probably looking like a dog swimming in the water on my way back the second time. I finished with a time of 24 minutes and 42 seconds.

CAMP GOES BY FAST

Camp is the best place in the world. Camp is where you have fun, learn, and make friends. I wish camp would not go by so fast, but I can't wait for the next six weeks.

-EDDIE HODDE

GLAD TO BE BACK

My first week at camp has been great. I am so glad to be back at this amazing place, and I feel so lucky to be here for my 3rd year in a row.

-OTTO D'AGOSTINO

M.I.C.

If you don't know what M.I.C. stands for, then you are missing out. M.I.C. stands for the Mowglis Improvement Club. It is obviously the best club offered at Mowglis and it is offered by the best staff member, the one, the legend - Mr. Hart. Today we cleaned the bathroom in Headquarters and painted windows in the Craft Shop. This club might seem boring, but it is actually pretty cool. In return for doing work, you make the place you are living in better. Have a good day!

-ZACH PAIGE

FIRST YEAR

It is my first summer at this camp and so far I like it. We just finished the first week and my Industries were Woodworking and Swimming. I made a really cool toolbox in Woodshop. And I am almost an Intermediate swimmer. My dorm is Panther and people are always getting yelled at by someone. Last night the camp's neighbors shot off a bunch of fireworks all night, which kept everyone up.

-HARRISON SMITH

WEEK FOUR

Week four has been crazy at camp. First, our group went to the Mahoosucs. On day 1 we summited Old Speck Mountain, and went down to our campsite at Spec Pond. It was about 45 degrees and windy. I was cold that night. The next day we slept in, and then conquered the Arm and the Notch. In the Notch you go through and around giant boulders, and in some places there is snow and ice. Mr. Rogers also found a number of caves and tunnels in the rock. We continued hiking to Full Goose campsite. The tent platforms were full, so we slept on dirt. My head was on a root, and it was also on a slope, so by morning everybody was one foot downhill. We decided to combine day 3 and 4 the next day. After getting on the trail at 8:45, we set out. By mostly non-stop hiking we made it to the van at 2:45. When we got back we enjoyed s'mores. Then, on Saturday, a tree fell. It messed up our power, so as I write, only lower camp has power. This means we had dinner in Gray Brothers and picnic breakfast. For clubs I went sailing with Mr. OC and Emiliano. We went far past Onaway Point, and made it back for Howls and letters.

-CAM STATHOS

GREAT PACK TRIP

Last week we went on the Mahoosucs. We summited Old Speck, Goose Eve, and Mt. Success. On our last day we did two days in one. Overall this was a really fun pack trip, and I hope to do many more trips at Mowglis.

-EDDIE HODDE

CAMP IS FUN

Camp is really fun. The Industries Camping and Rowing are really good. Mr. Latasa is bad in tennis and he will lose against me. The food the last couple of days tasted great, and I hope it will the rest of the summer. I don't know if I shall go for requirements or just have fun at camp. I'm looking forward to Crew Weekend and Woodsmen's Day. The next Industry I am going to sign up for is Axemanship.

-SIMON SOLIBIEDA

FRANCONIA RIDGE

This week Panther went on the Franconia Ridge pack trip. I was in the northbound group. We climbed 2.6 miles to Liberty Springs campsite, then dropped our packs and summited Mt. Liberty, which was breathtaking. The next day we climbed Little Haystack, and got into the alpine zone, which was very cool. We summited Lincoln, Lafayette, and Garfield, making it to our campsite and setting up our tents seconds before it started raining. While everyone stayed dry, I went with Robert to get a couple gallons of water. We had to bring all this water 0.1 miles up slippery rocks in the rain, which was just as bad as it sounds. Then we made chili mac and ate dinner. The last day was very flat. 5.0 miles. Looking back, that was the funnest trip I have ever been on. We covered 16.2 miles in 3 days!

-CAM STATHOS

PORCH SOCCER

Yesterday Jack and I made a new game called Porch Soccer. It is basically a 1 vs 1 soccer game on the wash porch. Games can go from first to 15 all the way to first to 40. It gets really intense and tiring! All in all we found a way to pass the time while it rains.

FUN YEAR

This year I have learned a lot and had a lot of fun too. I learned how to chop and split wood with an axe, and my athletic team came in first in Landsports Day.

-RICKY DOPP

FRANCONIA RIDGE TRIP

Last week we went on the Franconia Ridge Pack Trip. It was really fun. On our first day we hiked at a good pace and made good time. The next day we summited Garfield, Lafayette, Lincoln, and Little Haystack. We got great views from the ridge, but it started thundering so we had to get to the campsite. On the last day we got a late start and got down to the parking lot. This was a great trip.

-EDDIE HODDE

CAMP GOES BY FAST

Camp is really going by very fast. Faster than I expected. Today is Parent's Weekend, and in four weeks from today we'll be on the last night, and we'll also be doing Candleboats then. Mine supposedly won last year, hopefully it will win again this year. And we'll move the beds together, and hopefully the 10:30 inspection won't care. Make these last four weeks count!

-REMI LAND

BUGLING

Being bugler is fun. You get to play an instrument all day, not do duties, and control the camp. There are also some down sides. Everyone asks you what time it is, when the next call is, and "Can I hold your trumpet?" I couldn't be happier being the bugler, though. It is fun and I get the opportunity to get my Golden Chord. But please, ask before touching my trumpet.

-ZACH PAIGE

BEST YEAR YET

This year is my third year as a camper, and it has been my best year yet. Every year camp goes by faster and faster. This year almost too fast, but it's ok because I am having so much fun. I have never gotten a ribbon before, and I hope to receive my green, yellow, and gold this year. I only need two more Den requirements for next year so I can graduate. I can't wait for the Mahoosucs next week.

-OTTO D'AGOSTINO

LAND SPORTS DAY

I'm really excited for Parents Weekend. I can't wait to have a donut. On a different note, Land Sports Day was really fun, but my performance at the marathon made me realize how out of shape I was. Luckily though, I won the frisbee throw. The other day it poured and thundered, so I had to help a Cavite get to the mines during dinner because he was scared of thunder. Overall 10/10 would do this week again.

-ROBERT LABARGE

BEST YEAR YET

This year at camp has been my best so far. I have had so many great experiences and I have met so many great friends. I can't wait to come back next year.

-VAN BEEVER

FORGETTING ABOUT THE REAL WORLD

Yesterday I realized how separated we are from the real world. It's like when you are at Mowglis, nothing matters, so problems at home don't exist, problems in the real world don't matter, but when you get back home it will hit you in the face. So, enjoy being here while you still can.

-ERIC DIAZ

PARENTS WEEKEND

Today is Parent's Weekend. It has been three weeks since I arrived. Next week we are leaving on our pack trip. On Thursday we went hiking and I liked it. I am ready to see my parents again.

-BERNARDO VARGAS

MR. RUBIN'S MOUSTACHE

I made a really cool picture today. It is of Mr. Rubin and his amazing blonde moustache. It doesn't really look like him though, because it's really just a smiley face. I hope people like it, because that's about as good as my drawing gets.

-KYLE BECKFORD

AMAZING TIME AT CAMP

Today, Sunday, we are starting our 3rd week at camp. Just Friday we arrived from our pack trip. Time has gone by so fast - that means I'm having fun. I think in 2 weeks I will leave this wonderful camp. This camp has taught me so much, like to make my bed, and other awesome stuff. Every Sunday we have picnic supper. We always have a soccer match between nationals and internationals. This camp is amazing!

-BERNI VARGAS

ACHIEVING GOALS

Another week at Mowglis has passed and I can't believe it is Parent's Weekend. To be honest, Panther has been my favorite year so far. Our dorm hasn't had any major problems and people get along decently well. Mr. O'Connor is a beast and is an awesome lead dorm staff. Mr. Conklin is pretty much a god at Rubik's cubes and Mr. Hurdman, well, he just likes to relax. I'm hoping to get Inner Circle this year and get most of my Den requirements. Panther year will certainly be interesting and our dorm will achieve all of its goals. Especially ice cream!

-ZACH PAIGE

ONLY TWO MORE WEEKS

We only have two more weeks left, and I can't believe how fast camp has gone by. I am going to miss it here, but I'm sure I will be here next summer. I can't wait for Crew Week. Tonight they announce who is on what crew. I can't wait!

-HARRISON SMITH

GOPHER SQUAD

This week I went on the Gopher Squad. We summited Eisenhower on the first day, then descended in thick fog to Lakes of the Clouds hut. We greeted Ms. Caroline, then I bought two Snickers bars and ate them like I hadn't had food in two days. I also had the pleasure of having lemonade. Real lemonade. We had some delicious food for dinner, then went to see the beautiful sunset. The next morning, we woke up to pancakes, bacon, and eggs. We started up Washington, summited, ate whoopie pies and candy at the summit, and then pushed on to Mt. Clay, then Mt. Jefferson. We had a feast of chocolate bars, pepperoni and cheese pitas, and every other speck of food. Then we went down the Ridge of Caps Trail, which was brutal. Today they announce crews, and I hope to make the boat I want. Camp is going by too fast!

-CAM STATHOS

GOPHER SQUAD AND LACONIA

On Thursday, I had the honor to go hiking in the Presidential Range with Mr. Hart and Mr. Gomez. Legendary. We had the best food ever and we stayed at Lakes in the Clouds, 5050 feet above sea level. We had intellectual talks about Say Cheese (Thay Cheethe), and sang about green tractors. Ms. Caroline was there and she was really nice and welcoming to us. Today I also went to Laconia with the brass choir. We played Rise Up O' Men of God, and We Gather Together. After the service we had some sweets and snacks and helped set up for a food drive. Have a good day!

-ZACK PAIGE

MT. WASHINGTON SQUAD

Ms. Burgess, Andres Martinez, Inaki Rego, Wil Osselmann-Chai, Nick Sears, Nathan Soukup, Diego Montiel, Pato Martinez, Nick Spodick, Mr. Richardson

GOPHER SQUAD

Last week I went on Gopher Squad with nine others. On our first day we summited Eisenhower and Ridge, and walked to Lakes in the Clouds hut. On our second day we summited Washington. We were in a cloud, so we did not see much. Next we summited Clay and Jefferson. We had good viewing and this was my favorite trip so far at Mowglis.

-EDDIE HODDE

LOOKING FORWARD TO CREW WEEK

Crew Week is the best week of camp. It is so much fun! I can't wait to see the 3rd, 2nd, 1st, and racing crew face each other today. It is always so much fun and exciting, and then after the race is finished we have a great big picnic dinner, which is ALWAYS sooo good! Good luck to both Blue and Red!

-OTTO D'AGOSTINO

GOING BY TOO FAST

This is by far my fastest year at camp. It's already the start of Crew Week. I am happy but a little sad that I am going home soon. I will miss my friends here, and I can't wait to see them next year.

-VAN BEEVER

RED CREW

It is Crew Weekend (Saturday). I am stroke for Red First Form. I am nervous - this is my first year at camp and my first time rowing in an official race. I hope our boat can bring the RVD.

-HARRISON SMITH

RACE DAY

Today is the day. The winner of 2016 is decided by a race between the Red, which is good, and the better crew, the Blue Crew, the winning crew. On Friday we were louder than Red, so we will win the race too.

-RICKY DOPP

CAMP IS AN AMAZING PLACE

Camp is an amazing experience – meeting new kids every year, learning new skills everyday. I feel so lucky to spend my time with this amazing place and people. I just wish we had more time. Camp flies by way too fast. Mowgli's 2016, I salute you!

-OTTO D'AGOSTINO

RACING CREW

As Crew races are soon to happen, I'm becoming more nervous. Being on Racing Crew is an honor, and this past week has been amazing, but the pressure of rowing in the most important race gives me knots in my stomach. I love BLUE CREW and I never want to let her down. When everyone marches down today to the waterfront, I will salute the people rowing and wish everyone good luck in my mind. Good luck, and I salute you.

-ZACH PAIGE

CREW DAY

Today is Crew Day. I am really excited for the big race. This year I am on Blue Racing Crew, which means that it's up to the crew and me to decide if it is a BVD or RVD. I'm leaving tomorrow. Camp was a wonderful place to me, where I could create new experiences and meet new people. I'm looking forward to coming back next year as a Denite, which means a lot of responsibility and thoughtfulness.

This year as a Pantherite I have learned how to handle problems and to respect other people. Mowglis always was a special place for me, and in the future it will always stay one, too.

P.S. BVD!

-SIMON SOLIBIEDA

GOOD LUCK TO THE CREWS

This week was Crew Week. It started like all Crew Weeks start, with boats being announced, kids getting bandanas, learning cheers, rowing, and practice pep rallies. On Thursday trips headed out with First Form summiting the mountain together, and Racing Crew rowing to Wellington. On Friday it was the bonfire with a pep rally. Today is Race Day. Who will win, RVD or BVD? Good luck to all crews.

-EDDIE HODDE

TIME FLIES

Time flies when you're having fun. I can't believe it is already the start of the last week tomorrow. I feel like we just got here! The 6th week has been fun with Crew Week. Today is race day - I'm really excited. I've had a really fun summer so far, I'm happy to go and tell my friends at home about it, but I'll miss everybody at camp. Make this last week count.

-REMI LAND

FINAL CAMP YEAR

This is the first week of my final year at camp. I am a Denite, and I am close to graduating. I am two requirements from my axe text. If I had more time, I'd go for my ribbon. Crew is really fun, but it also takes skill. I have been coming since Cubs, and it is crazy that it is my final year. I hope to come back as a staff member.

-NATHAN SOUKUP

THE LIFT OFF

The camp has started off well. I'm currently in Den. There are no new people in our dorm this year. I still have to shave off some rust in tetherball. I'm going to be in the brass choir, my second home. Morgan's spikeball brings the whole dorm together. This year is going to be a good one. I have every Den requirement but Axemanship, Chapel Reader, and our Den Project. Today for clubs I went to music. I played the piano and made a song with the rest of the campers. Camp is off to a good start.

-KURT GASSIRARO

OFF TO A GREAT START

The first week at camp was great. I can't believe that I am on my Den year. On trip day we went to Wellington Beach. Hugh and I met some girls - it was really cool. Morgan is the worst sailor. He does everything you say not to do, but it's funny and fun going with him and Emiliano. Summer is going to be great!

-ANDRES MARTINEZ

TRIP

Today the Denites and JS went trail clearing on Bear Mountain. We kind of trail cleared, but mostly we wanted to get the hike over with. We had lunch on the top of Big Sugarloaf and enjoyed our sandwiches. Hugh lost his shirt on the summit and came down shirtless. We cruised through Little Sugarloaf and made it to Wellington to swim. We played spikeball, went swimming, and even made some new friends! I love Wellington. I might even go back for Parent's Weekend with Hugh, Emiliano, and Andres.

P.S. Also, sailing was awesome - I fell off twice.

-MORGAN REESE

SAILING

Yesterday I took out a 420 with Morgan and Andres. The wind was probably the best winds I have sailed in so far this year. When we passed Waingunga buoy, our boat was sailing on its side. A couple of seconds later, Morgan got launched off of the boat. It took Morgan a couple of minutes to get back in the boat, but eventually he did. After that we made it safely back to shore and went on with our day.

-EMILIANO COVARRUBIAS

SCARY STORIES

When all of the lights are turned off and every Denite is in bed, Mr. Gulitti paces the dark dorm to begin his tale. He keeps us hanging on every word, and when the story is over the dorm is silent, but everyone is awake.

-HUGH MCKELVY

TIME

As a Denite, time is everything. Den is your best year; you will remember it for the rest of your life, but it goes by too fast. Too little time to work on your last ribbon and your last activities as a camper. I find sometimes that even if you plan your entire summer out you still don't have enough time to do everything you want to. Just remember your time here is limited. Don't waste time, just knuckle down, work, and have fun!

-NICHOLAS SPODICK

GREAT START

Camp has been great so far. My dorm has already gone on a pack trip to the Baldfaces, and we are going on the Connecticut Lakes Trip in four days. I can't wait for squads and Crew Week. This is my last year as a camper, so I hope it goes great.

-EMILIANO COVARRUBIAS

DEN REQUIREMENTS

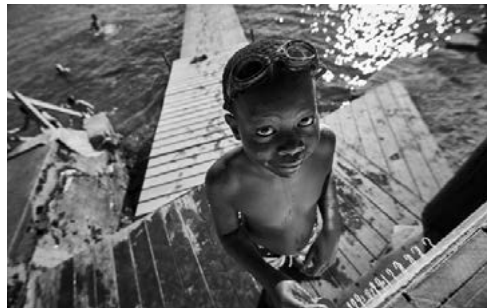

Yesterday, I finally achieved my Axe Test, the final Den requirement I need to graduate. I plan to fill the rest of my summer by working towards my Red White and Blue ribbon, so I can be inducted into the Inner Circle. I also hope to make a squad and racing crew. I can't believe how fast my final year of Mowglis is unfolding. I just hope there's enough time for me to accomplish all of my goals.

-WIL OSSELMANN-CHAI

THE DEN PARADOX

This is my den year, and the thought of being a JS next year gives me a strange feeling that can't be put into words. I want the year to end quickly, and yet I don't. I'll name this feeling the Den Paradox.

-CHRISTIAN WILLIAMS

TIME PASSING BY

I have been coming to this camp since I was eight years old, and it has all come down to this summer, my Den year. There have been Blue victories, and two glorious Red victories, fourteen squads sent out with me being on one, and 42 weeks of Mowglis. As it comes down to my final seven weeks, it's hard to think that there will be a time when I will not be able to come back to camp as a camper and earn ribbons. For everyone in Cubs, Toomai, Baloo, Akela, and Panther, and even the other boys in Den, I remind them that they are not here forever. Plan well, and have fun.

-NICK SEARS

TOOMAI TRIP

This week I had the privilege to be a trip leader for Toomai's two-night stay at Cliff Island. We embarked on our journey in the great blue war canoe from Baloo Cove. It was unwieldy to steer, but the Toomaites pulled hard as we rode a tailwind to Cliff Island. We set up camp on the north shore, just in time to pick ourselves several bags of wild blueberries and catch the sun setting over Bear Mountain. The next day we paddled to Wellington and set off for the summit of Little

Sugarloaf. I had the pleasure to lead the group up the trail, and we make excellent time. We descended quickly after enjoying a lunch of sunbutter and jelly sandwiches on the scenic summit. We dedicated the remainder of the afternoon to splashing along Wellington Beach before we paddled back to the Island. It was a true honor to have gotten to know the future leaders of the Pack, and I had the time of my life doing so. Thank you, Toomai.

ACCOMPLISHMENTS

This year is my last year. I've been here for six years and I can tell that I have accomplished almost everything that I wanted to. I got Inner Circle, winning racing crew, and I'm in the Den!! I just need to make a squad and graduate, and I'll finish everything that I promised to myself.

-DIEGO MONTIEL

THE ADDICTION

I have an addiction....It's ping pong. I've been playing ping pong for so long. Today I went to ping pong club. I played and played. Everyone there was a good player. I played almost everyone there. The tournament boiled down to me vs. Scott. I thought I was going to lose. I rallied with him before the final game, and eventually I won. But he didn't go down without a fight. Let the rest of the year be great!

-KURT GASSIRARO

AMAZING PLACE

Even after coming to this place for four years, Mowglis still never ceases to amaze me. It's natural, untouched beauty that has been preserved for decades; counselors with the loyalty and patience to return year after year; but most of all, the profound impact Mowglis has on all who enter the Pack. Whether you choose to acknowledge it or not, you are a better person now than you were before. And the sooner you realize that, the more you will appreciate Mowglis and the people that sacrifice so much to make it so special.

-WIL OSSELMANN-CHAI

WEEK TWO

This week Den went on a four-day pack trip. It was really cool because we went to Emerald Pool and Mr. Latasa, Pato, Morgan, and I jumped more than five times. When my group came back we had athletic teams. I am excited. BBB is going to win!

-ANDRES MARTINEZ

CARDIGAN NIGHT HIKE

For our Brown ribbon, we had to do a Cardigan night hike and sleep on the summit. It was amazing. My flashlight died, so I had to hike in the dark. There was a clear sky with stars and shooting stars. I slept next to the fire tower under the stars. It was an experience I will never forget.

-NATHAN SOUKUP

GOPHER SQUAD

I made Gopher Squad this week. The hiking wasn't too hard and Lakes was awesome. Being a Croo member looks really fun, although I wish they'd spelled "crew" correctly. P.S. I know that they spell it like that intentionally, but I don't like it.

-CHRISTIAN WILLIAMS

FRANCONIA

This week has been pretty good. I went to Franconia, slid down rocks, and jumped off of a huge cliff. Our Den project could be tetherball renovations, which would be sweet. I'm excited to see what boat I'm gonna make. Hopefully Red Racing Four. That leaves one seat open, the 2, for a Pantherite. A lot of exciting things are going to happen this Crew Week.

-MORGAN REESE JR.

BEING A DENITE

Having spent five summers here, I really understand how paramount it is for the rest of the camp to have a group of Denites to look up to. When I was a younger camper, I remember how much I looked up to them and how much I took their example to heart. Now that I am in Den, I know how impactful I can be as a leader of the pack. I'll try to do my best.

-HUGH MCKELVY

TIME IS FLYING

Camp has gone by so fast. We are now just entering the 4th week of camp with only three weeks to go. There is a lot to be done in the little time we have, so give every day your best. I can't wait until Crew Week. Good luck to both crews!

-INAKI REGO

SQUADS

This week they announce squads. Hopefully I'll make Washington Squad this year. I've never made a squad, so I don't know what it will be like. Also, Crew Week is in one week. Hopefully I can be the Blue Racing Crew Stroke. I can't wait!

-EMILIANO COVARRUBIAS

MY BEST YEAR

This year has been my best year. I'm in the Den with the best people, I finished my Den requirements, I got my Brown and Silver ribbons and hopefully I'll get my White. Washington Squad, second year WINNING Red Racing Crew, and all I can think about is what will happen next. I want to say thank you to my dormmates for being with me from the start, to Mr. Greenwell for helping me all this year, to the staff for making camp great, and I especially want to say thank you to Mr. Gulitti for believing in me since Cubs, for teaching me most of the things that I know at camp, and for always pushing me forward.

-DIEGO MONTIEL

LARPING

For clubs today, I went to the Larping Club. We fought with foam swords and shields. I beat Mr. Chan and ended up winning the tournament. We also played a game where we put all the weapons in the middle and run to them, then fight for the last person standing. I won that three times in a row. It was really fun. I hope to do this club again sometime.

-NATHAN SOUKUP

NEARING THE END

My Mowgli camper career is slowly drawing to an end. I've gone through Cubs, Toomai, Baloo, Akela, Panther, and finally Den. I've been dreaming of being a Denite ever since I was a Cavite. I thought this year was going to be like all of the other dorms, where you can mess around and do whatever you want, but I was wrong. Being a Denite means being responsible and a role model for the younger campers. At first, it seemed hard to be a good Denite, but as the weeks have gone by it's gotten easier and easier. Hopefully this year ends up being the best year I've had at camp.

-EMILIANO COVARRUBIAS

WASHINGTON SQUAD

This week I went on the Washington Squad trip and we hiked all of the Presidentials. I had a lot of fun. I am very excited for Crew Week. I can't believe how fast camp is going - Den is the best dorm you can be in. Let's go Blue Crew!

-ANDRES MARTINEZ

MAROON RIBBON

I just got my Maroon ribbon yesterday. It was really hard, and it took me a while to finish. I finally finished my triangle course. My Crew ribbon was one of my favorite ribbons yet.

-NATHAN SOUKUP

CREW WEEK

The week coming up is the best week of camp: Crew Week. I hope this year I can be Blue Racing Crew Cox. I can't wait for the campfire when Mr. Gulitti announces the boats. I am so nervous but excited at the same time. I wish everyone the best of luck, and may the best crew win.

-PATO MARTINEZ

CREW WEEK

Less than a week away is the bonfire. And less than a week away is also Crew Day. Tonight the crews are announced. I hope to make racing crew this year. Let the best crew win.

-NATHAN SOUKUP

RACING CREW

Crew Week is upon us. Last year I had the honor of being on Blue racing crew. I am much less nervous about boats being announced. The race is in six days and the racing crews will practice every day this week.

-HUGH MCKELVY

AN OVERVIEW OF WHAT HAS HAPPENED, AND WHAT WILL COME

Today is race day. I have been coming to camp since I was eight years old, and it all will end in a week from tomorrow. I will receive my Graduates' Medal, which will read: "Nicholas Jamison Sears 2010-2016." Seven summers of hard work, success, failure, and overall growing up will be put into that medal, and all the birch barks I have received. Today, I will spend less than ten minutes in that Red boat. Possibly the last ten minutes I will ever spend in that boat. In less than a week and a half, my summer will be over. My Mowglis career as a camper will be over. To my fellow Denites and other campers, you have one week left. Make what you will out of it.

-NICK SEARS

CREW

All week, the mighty Blue Crew and legendary Red Crew have been practicing and preparing for the most important day of the summer: Crew Day. In less than three hours both crews go head to head in a series of races that will ultimately decide who wins the day. Hopefully, Red Racing Crew and I will bring home the RVD. However, I hope that regardless of the victor, people can look back and remember the week positively, and not dwell on the result, win or lose.

-WIL OSSELMANN-CHAI

ENJOY EVERY DAY

I've been coming to this camp for six years and now I only have less than 24 hours as a camper. I am excited to join the Junior Staff group next year, but I'm also sad that I'm not going to be a camper anymore. Being a camper at Mowglis has probably been the best experience I've ever had. Being on Racing Crew, going on squads, and doing Industries have all been awesome things to do. Even though I'm coming back next year, I'll never be a camper again, so for all of you guys that have more years to be a camper, make sure you enjoy every day of being a camper, because it will go by fast!

-EMILIANO COVARRUBIAS

ENJOY YOUR TIME

Today squads are announced, next week boats, then Graduates Dinner and finally Mrs. Holt's Day. That means that I'm almost done with my Mowglis camper career, and probably my Mowglis days for a while. In the six years from Cubs to Den I've realized that your time here goes away too fast, fast enough to grow as a man, to learn to do everything by yourself, and find the true Mowglis Spirit. Enjoy your time here, because one day it will be over.

-DIEGO MONTIEL

IT'S NOT THE END, JUST THE BEGINNING

As the summer ends, my time as a camper comes to an end. From Cubs to Den, my time as a camper has gone by so fast. The lessons that I have learned here at Mowglis are lessons that I will never forget. Just because I will not be a camper next year does not mean that my time here at Mowglis comes to an end. But instead, it is just the beginning of my time as a staff. Hope to see the Den of '16 back as J.S.

-INAKI REGO

24 HOURS

We won't be at camp in 24 hours. That is unacceptable and daunting to all Mowglis, however to a Denite it is even more so. This is my last full day as a camper ever. No more ribbons, races, or dorm mates. It is the end but also a new beginning, as I transition to a new role in camp. I wish everyone luck in their pathways beyond Mowglis. To the Den of 2016 and all Mowglis, I salute you!

-NICK SPODICK

FINAL HOWL

This is my final howl. I've been coming here since I was eight, which means that this should be the 49th howl I have written. Forty-eight howls describing what I have done since 2010. My first four years under Mr. Punderson and my final three years under Mr. Robbins. Seven Crew weeks, being part of two Cub races, two first form races, and 2 racing crew races. Fourteen squads have been sent out, me going on two of them. Four Blue victories, and three Red victories. I've been on seven different athletic teams, and I'm pretty sure never won; not even once. I have had countless fun times, even just in Den alone. Deep sea diving with Mr. Graff, retrieving an anchor to a mooring, la Sociedad del Lagarto, and even today, when Mr. Graff smashed his head into a bowl, "without meaning to do it." It's time to say goodbye to my Mowglis career as a camper. Here's to the next chapter of my Mowglis career, as a staff member.

-NICK SEARS

CUB HISTORY 2016

I think I need to just come out with it ... 2016 was the best summer I have experienced at Mowglis as a Cub Mom. This summer, the Cub program went into full swing as a seven-week program, not just the abridged three-week program that has been offered in recent years. This change made the summer easier and better for all of us—including the boys!

Arrival day came, and we found ourselves surrounded by boys from all over the world. The Cubs quickly gathered themselves into their bunk beds, and it wasn't long before they were hootin' and hollerin'—some with the joy of being back at Camp, others with the excitement of being here for the first time. And just like that, they were buds. As a group we dove into new adventures. There was never a dull moment.

The boys quickly learned their duties and to work together, helping one another out. If one boy ran into a problem, before one of the staff could get to him, another Cub would be right there, lending a helping hand.

As the summer rolled on, the boys tried their hands at all sorts of new activities—sailing, photography, and riflery, among others. All of them showed great diligence in the skills that they were trying to learn, and I couldn't have been more impressed with a group of such young boys.

My personal favorite memory of the summer was our base camp trip to Mount Cardigan. The White Mountains were no match for the boys in Mowglis Gray. From the grueling hike to the summit and all the way back down, to dressed in their pajamas roasting up some s'mores, these boys were the embodiment of what Camp Mowglis is all about—being courageous, exemplary, tenacious, and having fun.

More Cubs joined us for the last three weeks of the summer, swelling our ranks to 21. And before we knew it, Crew Week was upon us. This is a bittersweet time. It is the most important and exciting week of Camp, when the boys get sorted into their Crew colors (some for the first time) and learn what good sportsmanship truly means. They learn teamwork and also how it is O.K. to fail sometimes. But when the week is finished, we suddenly realize that there is only one week left, the summer having flown by in a flash, and it's nearly time to pack our bags and say goodbye.

I do hope that many of these boys will return in the summers to come, and I also hope that they live every moment to the fullest and that they never stop exploring. And for those boys who may not return, I hope they will remember the fun they had, all the friends they made, and that they will know Mowglis will always be here for them.

CAMP IS FUN

I'm having a great time at Industries doing crafts. We went on a camping trip from Monday to Wednesday. A tree fell down in the campsite and Alex and Rowen tried to prank Ms. Liz by laying under the tree, but it didn't work. We saw a snake, played Red Rover in the meadow, and climbed Mt. Cardigan. We came back to Mowglis on Wednesday, just before lunch. On Thursday, we hiked Nancy Cascades and ate lunch at the waterfall. It has been an awesome week.

-DENTON MONTGOMERY

CUBLAND IS FUN

I am so sad, and a little happy to see my family. Camp is super fun. A peaceful place. Mowglis is very fun. I love the chirping of the birds. Playing in Cubland is very fun.

-HORATIO WILCOX

THE MOWGLIS DAY

Mowglis is fun: archery, swimming, crafts, and ga-ga! Duty board - table boy is my favorite duty. The food is very good, hiking mountains are fun, and the last mountain was in a cloud! It was so tall. And I can't wait to come back next year. :)

-AARON WANG

INSPECTION POINTS

This week we got all of our inspection points. We got to go to M 'n M Scoops. I thought I should try graham central station, but I settled for chocolate peanut butter instead. It was great. I can't wait to see my parents.

-MATTIE BRUNTRAGER

FUN AT CAMP

The ice cream is great and is yummy and I like that we can choose the flavor. I like the trip that we just had and the waterfall.

-DAVID WANG

FIRST OVERNIGHT

I have gone on my first overnight trip. It was up Mt. Cardigan. It was a really long hike and everyone was tired. We went to a pond to get the sweat off. It was really fun.

-ALEX KONOPKA

MT. CARDIGAN

On Wednesday we went to hike Mount Cardigan! It was very fun. It was hard, too. I want to hike it again.

-HIRO NISHINO

MT. CARDIGAN

This week all of the Pack and the Cubs climbed Mt. Cardigan. It was really beautiful. All the trees and the plants, and the fresh mountain air. It wasn't that hard, but it felt long because the people got tired fast. Well, not everyone got tired, but people still did. It was very foggy.

-WILL GREVEN

CLUBS

Clubs today was fun, we played kickball and the counselors played defense the whole time, I think I now know some of the rules. After we went to the Craft Shop and played more games.

-WATER WANG

BALOO COVE

Baloo Cove is awesome, sandy beach and we have our own swim area and raft. I love going to Baloo Cove.

-JAMES ZHU

THE CAMPFIRE

Yesterday I was cub campfire and I built a giant campfire. I'm super pumped for the next campfire.

-DENTON MONTGOMERY

PACKING BAGS

Me and Walker were trying to pack his bag. And it did not go so well. We still can't close the bag. Also, I am going to miss Mr. Rubin and Mr. Davidge the most.

-NATE GREVEN

GREAT SUMMER

I enjoyed this Mowglis summer very much. I loved the hiking and making new friends. I also loved setting goals in new activities like sailing and archery. I loved this summer very much. I hope all the other ones are great.

-WALKER OLSSON

WALKIE TALKIES

Cub staff should not be entrusted with walkie talkies. We just talk about what we would put in egg salad, purposely mistake ingredients and suggest ridiculous ones, and say “cshk!” and “over” and “roger” and “copy” a whole bunch. A typical talkie conversation will usually go like this: “Yeahhh I’m thinkin’ about makin’ an egg salad later “ashk!” “over” “roger” “do you roger copy” “over “cshk.”

“Oh, I roger your copy, don’t forget to add hummus, over!”

-MR. RUBIN

BLUE CREW

This week was better. We did paddleboarding and that was fun! I am on Blue Crew and we are going to win. Thunder, thunder, thunderation, we're the best crew in the nation. When we row with determination, we create a sensation! We played capture the flag. That was fun.

-ADDISON CALLUM

CREW WEEKEND

It's Parents Weekend aka Crew Weekend (BVD). Okay, right now let's all realize that Blue is definitely the best crew. So give a cheer for Blue Crew. We've got the spirit, we're blue, we're the ultimate crew! BVD!

-MATTIE BRUNTRAGER

FAVORITE THINGS

My name is Kazu and so far my favorite games at camp are ga-ga ball and "tackle the counselor."

CREW WEEK FUN

Crew Week is fun. I'm on Blue Crew. I really want Blue Crew to win. Today is Crew Day. I can't wait to see my mom and dad.

-SPENCER DRAZEK

TRIPDAY

On Tripdays we go out of camp in a van or bus and climb a mountain. It's hard sometimes, but always great views on the top.

THE HIKE IN THE CLOUDS

The Cubs went on a hike on Rattlesnake Mountain and the view was great! We were in a cloud, but we could still see the view, and the view was white! I was a third place in ga-ga ball.

-SPENCER DRAZEK

THE TRIP TO WELLINGTON BEACH

This Thursday we canoed to Wellington Beach in the war canoes. I got the red canoe. The blue boat got to the beach first and said they won, but it was not a race. Once we parked the boats we started climbing Little Sugarloaf, .75 miles, and stopped at the top for lunch. After we finished we climbed Big Sugarloaf, 1.05 miles, and had soak at Wellington Beach. I hiked 3.6 miles this Thursday. On the way back red got back first, but it was not a race, so we didn't win. This Thursday was awesome!

-DENTON MONTGOMERY

GA-GA BALL

I liked being introduced to ga-ga ball and tether ball. It's fun to play, too. I like it because it's exciting.

-ROWAN DRISCOLL

THE RAIN

It has been raining for two days. I do not like the rain...I can't stand getting wet. I am so cold that I feel like an ice cube. Usually, I only smile when the sun is out. But, for some reason, here, I keep up my good mood. As the song says, I'm singing in the rain...because I am happy! Did someone cast a spell on me? Maybe; I am not sure. What I am convinced of is that Camp Mowglis has a positive influence on me and its community energizes my day - even in the rain!

-MISS HÉLÈNE

TABLE BOY

I really like being table boy. Personally, I think getting to see what the food is can be exciting. Especially when it's something I like! Every year there is a bad storm. This year, Cubland became Swampland!

-MATTIE BRUNTRAGER

I have been having a great day at Mowglis. I have some fun and some activities at Camp Mowglis. I got a bullseye in Riflery - a bullseye!

-PACE MILLETT

GOOD TIMES

I have had a great time at camp, and I won a ga-ga ball game. I have been going to soak, too. I am in Cubs.

-OLIVER WENDT

FUN AT CAMP

I like this camp we get to do a lot of fun things and I like to play tennis.

-PETER JIANG ZHU

THE CUBS ARE AWESOME

The other night there was a big thunder and lightening storm. It gave the Cubs and I time to hang out and listen to Mr. Mohammed read a chapter of *Artemis Fowl* to us. It was very nice, and the Cubs were so well-behaved, like true gentlemen.

-MISS LIZ

RIFLERY

My highest score in Riflery is 23 and it's the best in Cubs! I love it here! I will send my children here! I will have two children!

-AYSON MCINTOSH

STRING BRACELETS

Today, I learned how to make string bracelets while listening to some jazzy jams. Ms. Hélène is a wizard at them, and so is Spencer. I'm really terrible. Cubland is the bomb!

-MISS BURGESS

FAVORITES

My favorite part of camp so far is doing sailing and the ropes course. I like them because they were very fun, and I like sailing because it was very calming but also exciting. I like the ropes course because I just thought it was very fun and amazing how high I went.

-WALKER OLSSON

WELLINGTON BEACH AND THE SUGARLOAFS

On Thursday we paddled to Wellington Beach. We climbed two mountains. One was named Little Sugarloaf and the other was named Big Sugarloaf. Then, after that, we went down them and swam. Then we went back to camp and had dinner

-AIDEN BUTLER

-NATE GREVEN

INDUSTRIES

I am having a great time at camp. I enjoyed our canoe trip down the river and the game of soccer. I also scored a bullseye in Archery and learned some new tennis moves. I can't wait until I can do Riflery.

-DENTON MONTGOMERY

THE POLAROID

I have been having a great summer. I got a Polaroid camera. It was smaller than I expected. I took a lot of pictures of my friends and gave the pictures to my friends. The ga-ga pit for the Pack was fun, but the cubs got their own ga-ga pit and it was more fun.

-SPENCER DRAZEK

SETTING THE TONE

Insanity every morning has set the tone for productivity this week. The garden is fecund and popping off. Corn is in fact knee-high by the fourth of July, and the tomatoes, while green, are bursting with growth. Apple seedlings just made it out of the fridge and into cups. I've summited three mountains: Plymouth, Welch, and Dickey, and most importantly, we have instilled in the Cubs a deep dislike for Sumac. Destroy all Sumac. Baloo Cove is in excellent order and we built a sand castle. Patent will be filed for Blue Shoeth shortly. S'mores taste good. My name is Daniel, not Danielle. I would do well to remember that in the future.

-MR RUBIN

YEARLING HISTORY 2016

2016 was an experience unlike any other. The Yearling program is a three-week excursion jam packed with cultivating adventures. Camp hardly begins before our group quickly breaks from the rest of the Pack, focusing on destinations far beyond the woods of the Mowglis Pack. We traveled through the northeast, seeking only the most exciting thrills the great outdoors has to offer.

We started with five boys, led by myself and Mr. Ben Stewart. Though our ranks would grow as more joined, we couldn't wait to get going. Our first trip was just across the lake, to Belle and Cliff island. We didn't stay for more than a day, with the island cleaned up we quickly continued, southbound. We would head to Boston, picking up an additional Yearling, Victor Geng. Whitewater kayaking with some world-class guides at Zoar would test our skills on the Deerfield River. After a crash course clinic on the calm reservoir, we collected our gear and spent three days running rapids.

We had barely dried ourselves out before our pathways compelled us to heights far above the waterline. Mr. Justin Rogers, our rock climbing instructor, invited to show us the ropes of vertical ascent. In no time the Yearlings were scaling walls and laughing in the face of gravity as we repelled down Artist's Bluff. Our craving for high altitude escapades was assured. We were ready to set our sights even higher. What we needed was a real challenge, the Mahoosucs. The hardest of miles in all of the White Mountains reside there. A perilous journey through the notch felt like a walk in the park for us. Not thunderstorm nor downpour would deter us from our success. We walked out of those woods as men, toughened with resolve.

We returned to camp ragged from the journey, but in good spirits. It was clear that these boys were ready to face the final challenges as campers, and join the ranks of staff. The boys needed some additional training, brought to us by SOLO. The Wilderness First Aid course is a standard for any Mowglis man. All staff are required to attain this crucial certification. This ensures that the boys will be well informed and properly trained for any situation the wild may throw at them.

When the course was completed, there was little time left for us. We charged on to make the most of it. Mount Crosby needed clearing, giving back to Mowglis and the local trails was the least we could do to show our gratitude for the Pack. We concluded our time together with one epic ride in the green mountains of Vermont. Through Kingdom Trails winding slopes we tore asunder, spreading our claim throughout the rolling emerald hills. Finally, with no more lands to conquer, we returned home. Closing the chapter of life as a camper is a bittersweet feeling. Growing up grants us so much in the way of freedoms and responsibilities. Our time spent at Mowglis has given us the tools we need to guide ourselves throughout the rest of our lives. All the achievements these boys made serve as milestones along the trail they have routed for themselves. They now stand ready to become the leaders of tomorrow. I couldn't be more proud to follow them as the continue to face the pathways beyond.
