SUMMER 2016

CAMP MOWGLIS SUMMER 2016 IS IN FULL SWING!

It is a beautiful blue-sky day on Newfound Lake!

Right now, we have trips out hiking Cardigan, canoeing to Cliff Island, and climbing Lafayette. Campers are working hard on their Industry Ribbon Requirements, and every day (actually in just a few minutes) we will all head to the lake for a refreshing time of the day: SOAK!

YES, Mowglis 2016 is off to a great start; our total enrollment this summer — including Cubs, Pack, and Yearlings—came to 118, which is very exciting, and certainly keeps us busy! With 27 Cubs, including a group of full season Cubs, Cubland is going to be bustling all summer long! The Yearlings have been hiking, kayaking, climbing, and even took a Wilderness First Aid class.

Thankfully, our amazing group of Senior and Junior Staffers have risen to the challenge and are doing a superb job teaching Industries and making sure that our campers are having a fun, safe, and exhilarating time at Mowglis while learning new skills.

So let's all give a cheer - lift a song loud and clear - for Mowglis our own!

Good hunting,

CAMP MOWGLIS, RUDYARD KIPLING, AND THE RECENT JUNGLE BOOK MOVIE

Thriving on the Shores of Newfound Lake... and in a Theater Near You!

The Jungle Book by British author Rudyard Kipling was a favorite collection of children's stories in the early 1900s. Our founder, Elizabeth Ford Holt, was so inspired by those stories, she created a place where boys could spend the summer learning the life lessons little Mowgli learned in the jungle.

With Kipling's permission and encouragement, Mrs. Holt borrowed names and themes from his Jungle Books, and now, 100 years later, those themes are still integral to the Camp Mowglis campus and program.

Throughout his life, Mr. Kipling maintained an active interest in this undertaking so strongly influenced by his exciting stories.

*Mowglis campers, alumni, staff, and friends gathered to watch the new *Jungle Book* Movie and celebrate Camp Mowglis's amazing origin story!*

What's **NEW** at Mowglis This Summer

We are running the traditional Mowglis Program with rigor and excellence—Industries, Ribbon Requirements, Trips—all leading to lifelong skills, memories and confidence, not to mention a lot of fun!

We take great pride in making sure that Mowglis is well equipped and staffed, and we have constantly updated equipment and bought new gear, such as a kiln for the Crafts Shop and new kayaks. We've also added two "High Ropes" elements in the trees down by the lake and introduced the wildly popular sport of fencing to Mowglis, which utilizes Lower Gray Brothers perfectly. Mowglis is as strong as ever! Good hunting to all!
